**Bring the magic and excitement of live performance to your school!**

Performing Arts NB (PANB) is pleased to announce the release of our new Roster of Performing Artists for the 2009-2010 school year, featuring professional and talented performers from across Canada. The PACS Program, serving NB schools for over 15 years, helps to bring the magic and excitement of quality, live performance to your students.

**Something for everyone!**

This year's line-up includes Nova Scotia's popular musical duo Donna & Andy, a brand new show by the Maritime Marionettes, Toronto's latest buzz--Splash 'N Boots, and the flamenco stylings of NB's own Snakecharmer. Vancouver's Green Thumb Theatre presents a timely play dealing with the issue of cyber-bullying while Quebec's Ted & Marion Outerbridge will dazzle all with their magical illusions (watch for Zelda the Psychic Chicken!). And, last but far from least, BC's award-winning entertainer, Norman Foote, will bring his innovative songs and offbeat sense of humour to our schools.

**How to book a performance at your school!**

For a complete PACS package, including our new roster of performers, information on how to book and pay for your performances (government funding may be available!), and a Performance Selection Form, please contact the PANB office at 506.635.8019 or by e-mail at [performingartsnb@nb.nb.com](mailto:performingartsnb@nb.nb.com)
